General Policy

If a homeowner contacts management with the intent to correct a violation and asks for an extension, management shall grant such extension if it deems the extension reasonable. If the homeowner does not cure the violation after the extension period, the homeowner will be immediately referred to the attorney or the process will be resumed at the last level of the process.

Forced Maintenance Procedure

It is the option of the Board of Directors to decide when and if an account goes to the attorney. The decision to escalate an account to the attorney may be based on violation severity, prior violation history, or other factors that may influence the Board's decision. Once an account is turned over to the attorney's office the attorney will send the homeowner a letter of representation and a demand for compliance with the Association's governing documents. If the homeowner does not respond, the attorney will pursue all available action to cure the violation through the court/ legal system. If allowable by law and the Association's Declaration of Covenants, all attorney's fees, and any court costs shall be the homeowner's responsibility and

shall be charged to the homeowners account and the money due shall be subject to the collection policy. If the amount due is not paid the attorney may file notice of lien.

Other

Any structure that is portable – e.g. sporting equipment, wheeled vehicles, etc. would need to be corrected within 24 hours from receipt of notice.
